A NOTE FROM CONGRESSMAN FULCHER

Representing you in Washington, D.C. over the past nine months has truly been the honor of a lifetime. With the craziness that is often most visible on television, many people glance over the most important aspect of my service - representing you back home in Idaho.

Additionally, I've had the opportunity to serve on several important committees, including the Natural Resources and Education and Labor Committees. In these roles I can fight for legislation that works for and protects my constituents.

My staff and I look forward to serving you. Please reach out with any questions or concerns you may have.
